Remarks

Arguably one of the best lots in Covington Park. This waterfront pool home has 4 bedrooms plus office and a den/media room, great room, eat in kitchen and dining room. The three tray ceilings throughout the home and soaring ceilings add grandeur and style to the entire home. The office has French doors and large window with view and lots of natural light. The primary bedroom has its own private wing. Two bedrooms are across from the Great Room. All of the bedrooms have high end flooring added to them. The home has been freshly painted inside and out with a new roof in 2021. Covington Park is heralded for its clubhouse, pools, playground, fitness center, tennis, volleyball, dog park, fishing, softball, basketball, picnic area and grills, and walking/jogger trails and highly rated schools. Close to beaches, award-winning restaurants and world-class shopping.
